

Power supply for actuator system, 7/8" male connector, 5-poles

Best Part-no.
RKC 50/11
or
RKC 50/16

Description
Field attachable female connector

Best Part-no.
0906 UTP 301

Description
T-connector to daisy chain the power supply

Best Part-no.
RK 50-644/...M

Description
Assembled single-ended power supply cable

Bus connection Bus-In Micro (M12) male connector, 5-Poles

Best Part-no.
0976 PFC 101

Description
Field attachable female connector

Bus connection, Bus-Out Micro (M12) female connector, 5-Poles

Best Part-no.
0976 PMC 101

Description
Field attachable male connector

Best Part-no.
0975 254 101/...M
0975 254 103/...M

Description
Profibus double-ended bus cable
Profibus single-ended female

Best Part-no.
0979 PTX 101

Description
Terminating resistor, male

Best Part-no.
0975 254 101/...M
0975 254 102/...M

Description
Profibus double-ended bus cable
Profibus single-ended male

Power supply for actuator system, 7/8" male and female connector, 5-poles

Best Part-no.	Description
 RKC 50/11 or RKC 50/16 and RSC 50/11 or RSC 50/16	Field attachable male and female connectors
 0906 UTP 301	T-connector to daisy chain the power supply
 RK 50-644/...M and RS 50-644/...M	Single-ended power supply female cable and Single-ended power supply cable

Bus connection Bus-In Micro (M12) male connector, 5-Poles

Bus connection, Bus-Out Micro (M12) female connector, 5-Poles

Best Part-no.	Description
 0976 PFC 101	Field attachable female connector
 0975 254 101/...M 0975 254 103/...M	Profibus double-ended bus cable Profibus single-ended female

Best Part-no.	Description
 0976 PMC 101	Field attachable male connector
 0979 PTX 101	Terminating resistor, male
 0975 254 101/...M 0975 254 102/...M	Profibus double-ended bus cable Profibus single-ended male

**Bus connection Bus-In Micro (M12)
male connector, 5-Poles**

Best Part-no.
0976 PFC 101

Description
Field attachable female connector

Best Part-no.
0975 254 101/...M
0975 254 103/...M

Description
Profibus double-ended bus cable
Profibus single-ended female

**Bus connection, Bus-Out Micro (M12)
female connector, 5-Poles**

Best Part-no.
0976 PMC 101

Description
Field attachable male connector

Best Part-no.
0979 PTX 101

Description
Terminating resistor, male

Best Part-no.
0975 254 101/...M
0975 254 102/...M

Description
Profibus double-ended bus cable
Profibus single-ended male

**Power supply for actuator system, 7/8" male and
female connector, 5-poles**

Best Part-no.
RKC 5/9

Description
Field attachable male and female connectors

Best Part-no.
0906 UTP 101

Description
T-connector to daisy chain the power supply

Best Part-no.
RKT 5-612/...M

Description
Single-ended power supply female cable
